Me

I offer freelance professional location sound production for ENG, reality, documentaries, television, web, and creative media. I have worked with a variety of production companies and advertising agencies for over 10 years, with clients including Nike, Adidas, Ralph Lauren, Discovery, MTV, PBS, OPB, MSNBC, Google, and many more. I also have worked as an audio editor, sound designer, composer, video editor, and web designer.

Kaiser Permanente-Learning Solutions group

August 2007-December 2016

- As a contractor with the Kaiser Permanente Learning Solutions Team for almost 10 years, I have developed a wide variety of digital content and projects for E-learning purposes within the organization. My job duties have included: web development for web-based training, graphic design, animation, interactive design, audio recording, voice narration, music and sound design, video shooting/editing, script writing/editing and functional testing.

Education

Portland Community College-Associates Degree of Applied Science, Multimedia Studies 2005-2007

Studied multimedia project development and management skills, web design, animation, video production, graphic design, electronics for audio/video, art, and film.

Portland Community College-Vocational Music Program

1990-1992

Studied audio production and recording methods and technology, electronic music, and music composition and theory.
